OC Trial Test Course (OCTTC)

Give your child the best possible preparation for the 2027 OC Placement Test with our OC Trial Test Course (OCTTC). Specifically designed to simulate the actual examination experience, OCTTC provides students with regular opportunities to sit realistic computer-based trial tests under exam conditions. Through consistent practice, students become familiar with the test format, develop effective exam techniques, and gain the confidence needed to perform at their best on test day.

OCTTC is an excellent way to reduce exam anxiety, strengthen time-management skills, and ensure students are fully prepared for the challenges of the OC Placement Test.

What are the benefits of OCTTC?

- **Realistic Exam Practice:** Complete weekly computer-based trial tests that replicate the format, timing, question types, and test conditions of the actual OC Placement Test.
- **Effective Test-Taking Strategies:** Learn practical techniques to improve accuracy, manage time efficiently, avoid common mistakes, and confidently tackle challenging questions.
- **Detailed Performance Analysis:** Receive comprehensive reports through Cyberschool, allowing students and parents to track progress, identify strengths, and focus on areas for improvement.
- **Exclusive Cyberschool Resources**: Access a wide range of online learning materials, practice questions, and revision resources designed to support ongoing preparation and maximise performance.
