Selective Trial Test Course (STTC)

Give your child the confidence and skills needed to succeed in the Selective School Placement Test with our Selective Trial Test Course (STTC). Designed to closely replicate the real exam experience, this comprehensive trial test program helps students build exam readiness, refine their test-taking strategies, and maximise their performance on test day.

What Does STTC Offer?

- **Build Confidence Through Regular Trial Tests:** Weekly computer-based trial examinations simulate the actual test environment, helping students become familiar with the exam format, timing requirements, question styles, and on-screen navigation.
- **Learn Effective Exam Strategies:** Develop practical techniques and proven approaches for tackling a wide range of question types with accuracy, efficiency, and confidence.
- **Monitor Progress with Detailed Feedback:** Receive comprehensive performance reports through Cyberschool, allowing students and parents to identify strengths, track improvement, and focus on areas requiring further development.
- **Strengthen Writing Skills:** Benefit from expert guidance and personalised feedback on writing tasks from experienced English teachers, helping students improve structure, content, and expression.
- **Access Exclusive Cyberschool Resources**: Enhance exam preparation with a wide range of online learning materials, practice activities, and revision resources specifically designed to reinforce learning and improve results.
