Year 4 WEMT Course

The Year 4 WEMT course is being updated to include new module contents. This will require students to commit to a significant amount of weekly module work, but it will help them build a solid foundation for the selective school and independent school scholarship exams.

- Strong foundation for the selective school and independent school scholarship exams:** Focus on key areas like writing, reading comprehension, mathematical reasoning and critical thinking.
- Effective writing strategies:** Learn how to structure and organise writing persuasively.
- Mastering reading comprehension:** Develop techniques to tackle challenging texts and ace multiple-choice questions with confidence.
- Mathematics made easy:** Gain a solid understanding of mathematical concepts, formulas, and problem-solving techniques.
- Mind-stimulating thinking skills:** Challenge yourself with engaging exercises to enhance critical thinking and problem-solving abilities.
- Choose the learning style that suits you best:** We offer two flexible WEMT course options:

WEMT (Face-to-face learning)

OC Trial Test Course (26 – 30 April)

The final session of our OC Trial Test Course (OCTTC), featuring the Mathematical Reasoning and Thinking Skills (MR/TS Test 12) trial tests, is scheduled for the first week of Term 2.

This final session is designed for students who seek one last practice opportunity in mathematical reasoning and thinking skills before their upcoming OC placement tests.

We encourage all students to take advantage of this final opportunity to sharpen their skills and boost their confidence ahead of the OC placement tests in May.

Why choose the OCTTC?

- ✚ Build your confidence and familiarity with the OC exam format: The OCTTC is structured to mirror the actual exam conditions. This hands-on experience allows students to become comfortable with the test environment, helping to reduce any exam anxiety.
- ✚ Learn tips and tricks to approach each question type effectively: Our experienced teachers share invaluable strategies to tackle various question types efficiently. These tips can significantly enhance your accuracy and speed during the actual test.
- ✚ Analyse your performance with individual results accessible on Cyberschool: Each student's performance is carefully analysed, and detailed results are made available on Cyberschool. This feedback helps students identify their strengths and areas for improvement, ensuring they can focus their efforts on where it matters most.
- ✚ Access exclusive Cyberschool activities and resources to support your OCTTC journey: Enrolled students receive access to a wealth of exclusive activities and resources on Cyberschool.

Term 2 Week 1 OCTTC Timetable and Fee Schedule:
